Is my water safe?

Last year, the water supplied to your ten by Northeast Copish W.A. met all federal and state drinking water standards. We signally adequated our water supply and once again we are proud to report that our system has not violated a maximum constantiant level or any other water quality glandard. This report is a suspent of sar year's water quality. Included are detail about water your water comes from, what it contains, and how it compare is standards are by negatiatory agencies. We are committed to providing you with information because infrared contents are not seen allies.

Do I need to take special procentions?

Some people may be some vulnerable to contaminants is drinking water than the general propulation. Immunin-compromised percent such as persons with same undergoing sheatodistrapy, persons who have undergoing corpus maniplants, people with HIV/HIM is crebe immunity sparse of sheaton district, and reliately and pillarize one be personally and from inflacious. These people should not drive should reliably a star from the set both case providers. BPA/Crimes for Disease Control (CDC) guidelines or episporeporter means to leasent for pills of inflation for Cytyskoperfulnes and other midrored contaminations are available from the Safe

Where does my water came from

Our ware comes from three wells, two which draw groundwater from the Catahoula Formation Aquifes and one from the Formation Aquifes and one from the Formation Adults.

Source water assessment and its availability

Our course water assessment plan is evaluable for review upon request. Please contact our Certified Operator, Fred Little at a

Why are there contaminants in my drinking water

Drinking water, technicing bottled water, may reasonably be expected to contain at least small amounts of some containmants. To pressure of containmants does not necessarily inflating that water poses a health risk. More information about containmant and patential beauth effects can be obtained by sailing the Environmental Protection Agency's Safe Drinking Water Heidline 600-476-479.

How can I get tavelved?

Our annual membership meeting is on the fourth Thursday of July each year at 7:00 p.m. at the Crystal Springs Police Station

his is a very important meeting in which all customers are meauraged to atten
